RE : **IMPORTANT NOTICE**
CHANGES TO THE ROAD ACCIDENT FUND
DEFAULT JUDGMENT COURT

1. The following innovations to existing arrangements shall take place immediately.

1.1. A case in which an interim payment in a Road Accident Fund claim is sought shall no longer be enrolled on the unopposed roll. Instead, these cases shall be enrolled on the Road Accident Fund Default Judgment (“RAF DJ”) roll.

- 1.2. Matters which are already enrolled on the unopposed motion roll shall be identified by the registrar and shall be transferred to the RAF DJ Roll in the same week of the date it was set down in the unopposed motion court.
 - 1.3. Attorneys are alerted to the fact that a different registrar deals with these two rolls and to ensure the nature of the case is made clear. The reason is that the amount of reading of such a matter where a discretionary order is sought is not appropriate for the unopposed motion court.
 - 1.4. Further, attorneys are reminded that an interim order may only be sought within the four corners of section 17(6) of the RAF Act. Read it carefully. The section does not envisage an interim payment for future loss of earning capacity.
2. The following innovations to existing arrangements shall take place from the week of 19 February 2024:
- 2.1. At present the RAF DJ roll is set down in equal numbers on each of Tuesday, Wednesday, Thursday and Friday.
 - 2.2. From 20 February 2024 the RAF DJ Roll shall be set down in total on Tuesday. The judge assigned to hear the matters shall give directions when the cases shall be heard. This rearrangement shall facilitate the settled matters being disposed of on Tuesday and thereby creating a degree of flexibility to hear the other cases during the week.

3. Matters that are settled before the beginning of the week or on the brink of settlement must alert the assigned judge by the Friday in the week before the set down week, that this is their position to avoid unnecessary preparation.

Yours faithfully
