JUDGE PRESIDENT'S DIRECTIVE (17 APRIL DIRECTIVE)

RE: SUPPLEMENTARY DIRECTIVE in re COURT OPERATIONS IN THE PRETORIA AND JOHANNESBURG HIGH COURTS DURING THE EXTENDED COVID-19 NATIONAL LOCKDOWN AND FOR THE REMAINDER OF TERM 2/2020

1. These directives are issued in conformity with the directives of the Chief Justice on 17 March 2020 and 17 April 2020 and in terms of the authority vested in the Head of Court in terms of section 8(4) (b) of the Superior Courts Act 10 of 2013 and effective immediately upon publication on 17 April 2020.
2. These directives set out how, and under what conditions, all matters enrolled in the Gauteng Divisions shall be undertaken during the period of the lockdown and until the end of Term 2 of 2020, including the first week of the July 2020 recess. The Directive of 25 March 2020 in respect of the High Courts of the Gauteng Division remain in force except where varied in these directives. The prospects of long term full lockdown or scaled down restrictions in movement after the lockdown has ended, and prudent behaviour to minimise exposure to infection, informs the policy choices.

3. The general principle to be observed is that physical contact among persons be eliminated or minimized. To this end:
 - 3.1. In accordance with the practice in the High Courts of the Gauteng Division, pursuant to Directive no 1 of 2020 (the implementation of CaseLines in the Gauteng Division – attached hereto) documents must be uploaded in all matters, save where a Judge, in exercising a discretion, permits the documents to be served by email. No matter that is noncompliant with this paragraph shall be entertained.
 - 3.2. Matters on paper (Appeals and Applications) shall not, except where directed otherwise by the Judge seized with the matter, enjoy an oral hearing in open Court. Submissions may be advanced via CaseLines or via email and oral hearings may be dealt with by video conferencing where Parties wish be heard orally, in accordance with ad hoc directives issued by the Judge which are appropriate to the circumstances.
 - 3.3. Matters that require evidence to be adduced shall not, in general, be conducted in open Court, and the Judge seized with the matter shall exercise a discretion about an appropriate mode of hearing, which may include receiving evidence on affidavit and the utilisation of video conferencing, and if otherwise unavoidable, the convening of a physical hearing.
 - 3.4. The Judge seized with a matter in which video conferencing is used shall exercise a discretion as to any liability for the costs implications of such utilisation.

CIVIL TRIALS

4. These directives apply to all Trial matters for the rest of Term 2 of 2020.

If no practice note is timeously received, the matter shall automatically be removed.
